*ORDER DIRECTING ANSWER*

This original petition for a writ of mandamus challenges a district court decision denying petitioner camera access in a family law proceeding. It appears that an answer may assist this court in resolving this matter. Therefore, real parties in interest and the respondent district court judge shall have 21 days from the date of this order to file and serve answers, including authorities, against issuance of the requested writ. NRAP 21(b)(1). If either of the named real parties in interest do not believe they are interested parties in this writ proceeding, they shall so notify this court within that same time frame that they do not intend to file an answer for that reason. Petitioner shall have 14 days from service of the last-filed answer to file and serve any reply.

It is so ORDERED.
