ORDER DISMISSING APPEAL

This is an appeal from a district court preliminary injunction granting respondent the power to vote shares of stock. Eighth Judicial District Court, Clark County; Crystal Eller, Judge.

On April 11, 2024, respondent filed a motion to dismiss this appeal as moot, asserting that, after the preliminary injunction was entered and appealed, the district court entered a partial summary judgment in his favor on the same subject as the injunction, ownership of certain shares of stock. He explains that, as a result, the stock has been transferred to him, rendering this appeal moot. The motion, which is supported by attached documentation, is unopposed.

Having considered respondent's unopposed arguments, it appears that this appeal is moot. *See Personhood Nev. v. Bristol*, 126 Nev.

599, 602, 245 P.3d 572, 574 (2010). Therefore, we grant the motion and
