ORDER DISMISSING APPEAL

JANETTE M. BLOOM
CLERK OF SUPREME COURT
BY *J. Richards*
CHIEF DEPUTY CLERK

This proper person appeal is taken from a district court order denying a motion to reconsider its November 4, 2003 order requiring appellant to pay \$7,300 in fees and costs. Our review of the documents transmitted under NRAP 3(e) reveals a jurisdiction defect. In particular, an order denying reconsideration is not appealable.¹ Additionally, even if we were to construe appellant's appeal as from the November 2003 order,² her appeal is untimely with respect to that order, since notice of that order's entry was served on November 5, 2003.³ Consequently, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
