ORDER DISMISSING APPEAL

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of one count of robbery with the use of a deadly weapon. The judgment was entered by the district court on February 27, 2004. The notice of appeal was filed on April 1, 2004, three days after the thirty-day appeal period prescribed by NRAP 4(b). An untimely notice of appeal fails to vest jurisdiction in this court.¹ Accordingly, on April 19, 2004, this court ordered appellant's counsel to show cause why this appeal should not be dismissed.

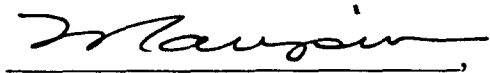

On May 10, 2004, counsel for appellant filed a response to this court's order. In the response, counsel informs this court that there is no record of the notice of appeal having been delivered to prison officials, and that appellant apparently mailed the notice of appeal himself on March 31, 2004, after the expiration of the thirty-day appeal period. Based on

counsel's response, we conclude that we lack jurisdiction to entertain this appeal, and we

ORDER this appeal DISMISSED.
