ORDER DENYING PETITION FOR WRIT OF MANDAMUS

This original proper person petition for a writ of mandamus seeks the imposition of a malpractice damages award on respondent Dr. John Paglini, as well as the termination of petitioner's plea agreement in his criminal case and the dismissal of the criminal case against him. We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted. Accordingly, we deny the petition.¹

It is so ORDERED.²
