ORDER DENYING PETITION

This is a proper person petition for a writ of prohibition. Petitioner seeks an order prohibiting the justice court from "continuing to deny" petitioner his legal records; "refusing to appoint conflict-free counsel;" proceeding with an "unendorsed complaint" in violation of NRS 173.045; and proceeding with the "complaint as charged for lack of constituting a public offense." We have considered the petition on file

herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ Accordingly, we

ORDER the petition DENIED.²
