ORDER DENYING PETITION FOR WRIT
OF MANDAMUS AND PROHIBITION

This original proper person petition for a writ of mandamus and a writ of prohibition challenges the jurisdiction of the Eighth Judicial District Court to hear the underlying case and the alleged failure of Justice of the Peace Tony Abbatangelo to promptly resolve the issues before him in connection with the temporary protection order sought by the real party in interest. We have considered this petition, and we are

not satisfied that this court's intervention by way of extraordinary relief is warranted. Accordingly, we deny the petition.¹

It is so ORDERED.
