ORDER DENYING PETITION

This original petition for a writ of mandamus challenges an order of the district court denying petitioner's motion to permit the admission at trial of audio or video tapes from a family court proceeding. Petitioner also seeks an emergency stay of the trial presently scheduled to commence on Monday, July 19, 2004. Having reviewed the petition and the appended documentation, we have concluded that this court's intervention by way of extraordinary writ is not warranted at this time. Accordingly, we deny the petition and the request for a stay.

It is so ORDERED.
