ORDER DISMISSING APPEAL

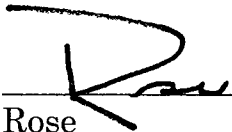

This proper person appeal is taken from orders of the district court granting summary judgment in favor of respondents Thomas Barb and Kristen Erickson. Second Judicial District Court, Washoe County; Brent T. Adams, Judge.

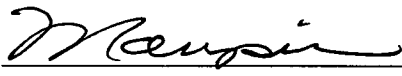

Our review of the documents before us reveals a jurisdictional defect. Specifically, the district court's order does not resolve all claims against all parties, as appellant's claims against a number of parties remain pending below. Consequently, the district court has not entered a

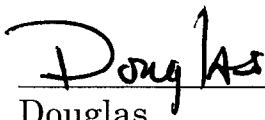

final, appealable judgment.¹ Additionally, the district court did not certify its order as final under NRCP 54(b).

As we lack jurisdiction to consider this appeal, we dismiss it.

It is so ORDERED.
