ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to enter written dispositional orders for all matters pending in the district court, directing the clerk's notes and minutes to be entered into the record, directing the transcripts be entered into the record, and an order to the clerk directing the clerk to provide petitioner with a copy of the record without fees. We have considered the petition on file herein, and we are not satisfied that

this court's intervention by way of extraordinary relief is warranted at this time.¹ Accordingly, we

ORDER the petition DENIED.
