ORDER DENYING PETITION

JANETIE M. BLOOM
CLERK OF SUPREME COURT
BY *J. Richards*
CHIEF DEPUTY CLERK

This is a proper person petition for a writ of mandamus. Petitioner requests an order directing the district court to furnish him with copies of orders resolving petitioner's July 8, 2002 habeas corpus petition, December 19, 2002 motion to withdraw a guilty plea, and July 6, 2004 motion to compel specific performance. Petitioner also requests that sanctions be imposed against the party who was directed to prepare the written orders.

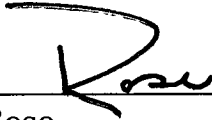

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ In reviewing petitioner's appeal in Docket No. 43051, this court determined that the district court had not resolved petitioner's July 8, 2002 habeas corpus petition and that the order denying petitioner's motion to withdraw a guilty plea was an intermediate order in the post-conviction proceedings.² This court again expresses its confidence

¹See NRS 34.160; NRS 34.170.

²Ingebretsen v. State, Docket No. 43051 (Order Dismissing Appeal, August 26, 2004). Any intermediate decisions may be reviewed in the appeal from the final order resolving the proceedings initiated by petitioner's July 8, 2002 habeas corpus petition. See NRS 177.045 ("Upon

that the district court will resolve the pending habeas corpus petition with specific findings of fact and conclusions of law as expeditiously as its calendar permits. Petitioner has not demonstrated that he is entitled to extraordinary relief relating to copies of any of the intermediate orders, if they exist, or sanctions.³ Accordingly, we

ORDER the petition DENIED.
