ORDER DISMISSING APPEAL

This is a proper person appeal from district court orders that granted summary judgment as to liability alone and denied reconsideration. Eighth Judicial District Court, Clark County; Stewart L. Bell, Judge.

This court has jurisdiction to consider an appeal only when authorized by statute or court rule.<sup>1</sup> A district court order that grants summary judgment is not appealable as a final judgment under NRAP 3A(b)(1) unless the order resolves all issues in the case, except for post-judgment issues like costs and attorney fees.<sup>2</sup> Here, the summary judgment orders resolve liability, but leave the remedy unresolved. Thus, this court lacks jurisdiction to consider the orders granting summary judgment.

Regarding the orders denying reconsideration, they are not appealable.<sup>3</sup>

Consequently, as we lack jurisdiction over this appeal, we ORDER this appeal DISMISSED.
