ORDER DISMISSING APPEAL

This is an appeal from a district court order that issued a writ of mandamus compelling the Washoe County Registrar of Voters to allow respondents Eric and Traci Amberson and all other similarly situated persons to vote in the November 2, 2004 general election. Second Judicial District Court, Washoe County; Brent T. Adams, Judge.

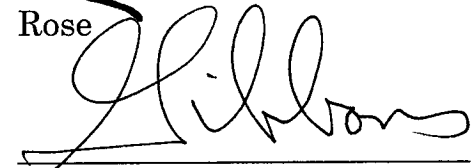

When our preliminary review of the docketing statement and the NRAP 3(e) documents revealed several potential justiciability concerns regarding this appeal, we ordered appellant, on January 31, 2005, to show cause why this appeal should not be dismissed. In response, appellant has moved to dismiss this appeal.

We grant the motion, and we dismiss this appeal. The parties shall bear their own costs and attorney fees.¹

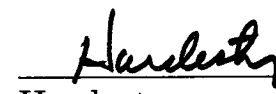

It is so ORDERED.
