ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the lower court to file and set a hearing date for his petition for a writ of habeas corpus mailed on October 27, 2004. Petitioner also seeks an order granting a motion for release on his own recognizance while the petition is pending. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.<sup>1</sup> Accordingly, we

ORDER the petition DENIED.
