ORDER DENYING PETITION

This is an original petition for a writ of certiorari challenging the district court's affirmance of the municipal court's denial of petitioner Matthew Faiella's motion to withdraw his no contest plea and motion to strike surplusage. Second Judicial District Court, Washoe County; James W. Hardesty, Judge.

Having reviewed the petition and the appended documentation, we have concluded that the district court did not err in

denying Faiella's appeal, and therefore, this court's intervention by way of extraordinary writ is not warranted.¹ Accordingly, we

ORDER the petition DENIED.
