ORDER DENYING PETITIONS

These are proper person petitions for a writ of mandamus and for extraordinary relief. Petitioner challenges the validity of his judgment of conviction. We have considered the petitions on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. A challenge to the validity of a judgment of conviction should be raised in a post-conviction petition for a writ of

habeas corpus filed in the district court in the first instance.¹ Petitioner may then appeal to this court from any final, adverse order.² Accordingly, we

ORDER the petitions DENIED.
