ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to order the State to respond to his habeas corpus petition. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ We are confident that the district court will take all actions necessary for the resolution of the habeas corpus petition. Accordingly, we

ORDER the petition DENIED.
