**FILED**

APR 22 2005

JANETTE M. BLOOM  
CLERK OF SUPREME COURT  
BY *J. Richards*  
CHIEF DEPUTY CLERK

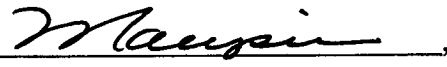

ORDER CLOSING PROCEEDING

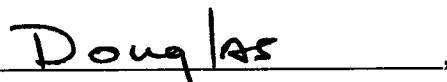

This proceeding was docketed in this court upon the filing of an emergency motion seeking a stay of an oral decision of the district court directing the involuntary medication of Jane Bellzora Woerner, pending the district court's entry of a written order and the filing in this court of a petition for extraordinary relief. Second Judicial District Court, Washoe County; James W. Hardesty, Judge.

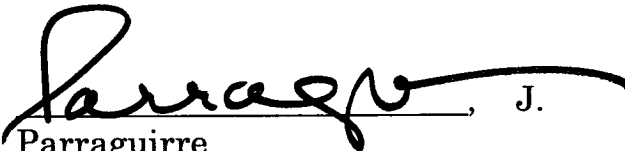

On February 4, 2005, this court entered an order denying the motion for a stay and noting that upon the filing of an appropriate writ petition, the motion for a stay could be renewed. To date, however, no petition for extraordinary relief has been filed or received in this court. Accordingly, we direct the clerk of this court to close this

proceeding. Any future challenge to the ruling at issue shall be docketed in this court as separate proceeding.

It is so ORDERED.
