ORDER DISMISSING APPEAL

This is an appeal from a February 11, 2005 district court judgment awarding attorney fees, costs, and prejudgment interest. Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge.

When our preliminary review of the docketing statement and NRAP 3(e) documents revealed a potential jurisdictional defect, we ordered appellants to show cause why this appeal should not be dismissed. In response, the parties filed a stipulation to dismiss this appeal. As we approve the stipulation, we dismiss this appeal.

It is so ORDERED.
