ORDER DENYING PETITION

This original petition for a writ of mandamus challenges the district court's denial of petitioner's motion for protective order and motion to quash any writ, subpoena or order to transport petitioner to California. Eighth Judicial District Court, Clark County; Donald M. Mosley, Judge.

Having reviewed the petition and the appended documentation, we are not persuaded that this court's intervention by way of extraordinary writ is warranted. Accordingly, we deny the petition.

It is so ORDERED.
