ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order that altered the primary physical custody of minor children. Eighth Judicial District Court, Family Court Division, Clark County; Steven E. Jones, Judge.

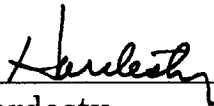

NRAP 4(a) requires a party to file a notice of appeal no later than thirty days after written notice of an appealable order's entry is served. NRAP 26(c) adds three days when service is by mail. Here, notice of entry of the district court's order altering custody was served by mail on February 24, 2005. Consequently, appellant's time to appeal from that order began to run on February 24, 2005. Appellant filed her notice of appeal on March 30, 2005, which is thirty-four days after the notice of

entry was served. Accordingly, appellant's notice of appeal is untimely. As we lack jurisdiction over this appeal, we

ORDER this appeal DISMISSED.¹
