CHIEF DEPUTY CLERK

ORDER DENYING PETITION FOR WRIT OF PROHIBITION

This original petition for a writ of prohibition challenges the district court's refusal to dismiss the portions of real parties in interest's pleadings that were brought as a petition for judicial review under the Nevada Administrative Procedure Act (APA), NRS Chapter 233B,¹ and as an action for declaratory relief. Petitioners contend that, by proceeding

with real parties' action under the APA and for declaratory relief, the district court will exceed its jurisdiction.

We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted. Accordingly, we deny the petition.²

It is so ORDERED.
