ORDER DENYING PETITION

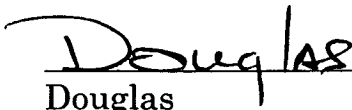

This is a proper person petition for a writ of mandamus. Petitioner argues that the district court arbitrarily and capriciously denied the appointment of counsel throughout the post-conviction proceedings in violation of his constitutional rights. Petitioner seeks permission to file a post-conviction petition for a writ of habeas corpus with the assistance of counsel and without application of any procedural bars. We have considered the petition on file herein, and we are not satisfied that this

court's intervention by way of extraordinary relief is warranted.¹

Accordingly, we

ORDER the petition DENIED.
