ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. It appears that petitioner argues that the district court failed to file or consider proper person documents.

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.<sup>1</sup> The petition is unintelligible, and thus, petitioner has not demonstrated that he is entitled to any relief. To the extent that petitioner challenges the validity of the judgment of conviction,

<sup>1</sup>See NRS 34.160; NRS 34.170.

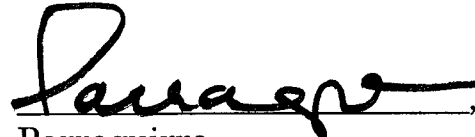

his challenge is improperly raised in a petition for a writ of mandamus.<sup>2</sup>

Accordingly, we

ORDER the petition DENIED.
