This is a proper person appeal from a district court summary judgment in a property matter. Eighth Judicial District Court, Clark County; Sally L. Loehrer, Judge.

On August 18, 2005, an order was entered directing appellant to either pay the filing fee or comply with NRAP 24(a). In response, appellant filed a document indicating that he wishes to "drop" this appeal. We construe this document as an NRAP 42(b) motion for voluntary dismissal. The motion is granted. Accordingly, we dismiss this appeal, with each party to bear its own costs, expenses and attorney fees, if any.¹
