

IN THE SUPREME COURT OF THE STATE OF NEVADA

JERAMIE RAYMOND CARLSSON,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 45833

**FILED**

OCT 25 2005

ORDER DISMISSING APPEAL

JANETTE M. BLOOM  
CLERK OF SUPREME COURT  
BY *J. P. [Signature]*  
CHIEF DEPUTY CLERK

This is purportedly an appeal from the judgment of conviction entered on July 19, 2005, in district court case number CR05-0823. Second Judicial District Court, Washoe County; Steven P. Elliott, Judge.

Our preliminary review of this appeal revealed a jurisdictional defect. Specifically, district court case number CR05-0823 was dismissed on July 19, 2005, upon a motion to dismiss brought by the State. Appellant is appealing from an order dismissing the case against him, and no statute or court rule appears to provide for such an appeal. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.<sup>1</sup> Appellant is not an "aggrieved" party as required by NRS 177.015.

Accordingly, on September 7, 2005, this court ordered appellant's counsel to show cause why this appeal should not be dismissed.

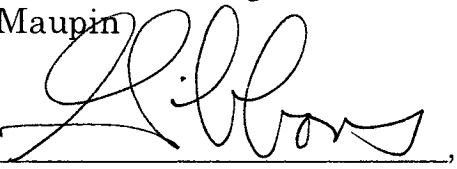

---

<sup>1</sup>Castillo v. State, 106 Nev. 349, 792 P.2d 1133 (1990).

Counsel has not responded to our order. We conclude that we lack jurisdiction to entertain this appeal, and we

ORDER this appeal DISMISSED.
