ORDER DENYING PETITION  
FOR WRIT OF MANDAMUS OR PROHIBITION

This original petition for a writ of mandamus or prohibition challenges a district court order affirming a justice's court decision.

Having reviewed the petition and the attached documents, we conclude that petitioner has failed to demonstrate that the district court

manifestly abused its discretion or exceeded its jurisdiction in affirming the justice's court decision. We therefore conclude that this court's intervention by way of extraordinary relief is not warranted, and we

ORDER the petition DENIED.<sup>1</sup>
