ORDER DENYING PETITION  
FOR WRIT OF MANDAMUS OR PROHIBITION

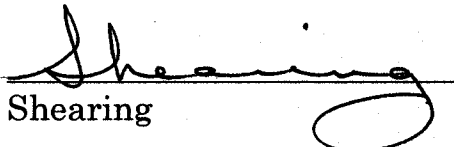

This original proper person petition for a writ of mandamus or prohibition challenges the district court's continued exercise of jurisdiction over petitioner. Petitioner seeks to have the underlying case dismissed and to prevent the district court from taking any further actions in the underlying case, including entering a default against petitioner or having petitioner brought into court. Having considered the petition and all other documents submitted by petitioner, we are not satisfied that this court's

intervention by way of extraordinary relief is warranted. Accordingly, we deny the petition.<sup>1</sup>

It is so ORDERED.<sup>2</sup>
