ORDER DENYING PETITION

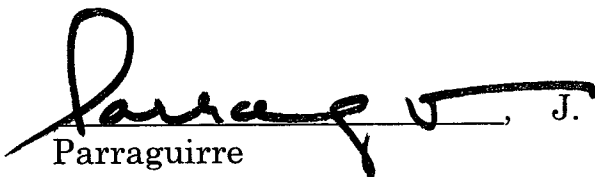

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to resolve his August 12, 2005 motion for withdrawal of attorneys of record and for order compelling the attorneys to immediately deliver to the client all papers, documents, pleadings, and items of tangible personal property. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this

time.¹ We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.²
