ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to grant his pending motion seeking copies of the sentencing transcript, presentence investigation report, and psychosexual evaluation. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ We are confident that the district court will resolve all pending motions as

expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
