ORDER DISMISSING APPEAL

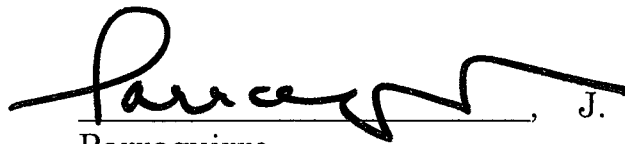

This is a proper person appeal from an order of the district court denying a motion for specific discovery of Brady¹ materials. Eighth Judicial District Court, Clark County; Michael A. Cherry, Judge.

Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.² No statute or court rule provides for an independent appeal from an order denying a motion for discovery.³ Accordingly, we

ORDER this appeal DISMISSED.
