ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks access to documents allegedly used in determining his tier level for purposes of sex offender registration. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. Petitioner should file his petition in the district court for the county in which he is incarcerated, or resides, in order that a complete record may be compiled in connection with his claims for relief. Accordingly, we

ORDER the petition DENIED.
