ORDER DISMISSING APPEALS

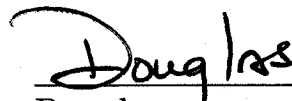

These are proper person notices of appeal from unidentified judgments of the district court. Second Judicial District Court, Washoe County; Steven P. Elliott, Judge. We elect to consolidate these appeals for disposition.¹

This court's review of these appeals reveals jurisdictional defects. In his notices of appeal, appellant stated that he was appealing from judgments of the district court. However, appellant did not

specifically identify any judgments of the district court, and this court's review of the documents before it did not indicate any appealable judgments. Because appellant has failed to designate any appealable judgments, we lack jurisdiction to consider these appeals, and we
