ORDER DISMISSING APPEAL

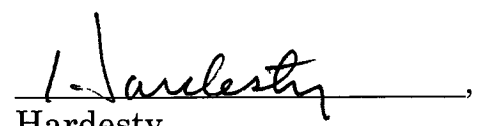

This is a proper person appeal from a district court order dismissing a petition for judicial review in a real estate licensure matter. Eighth Judicial District Court, Clark County; Valerie Adair, Judge.

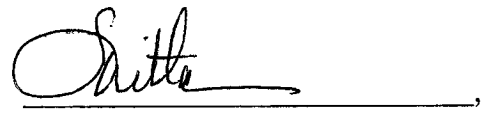

After documents that this court mailed to appellant were returned as undeliverable, with no forwarding address, we directed appellant to show cause, by January 24, 2007, why this appeal should not be dismissed as abandoned. In that order, we noted that appellant appeared to have moved without notifying this court of any address change, thus leaving us unable to communicate with him, and we cautioned appellant that failure to respond to the order would result in our dismissal of this appeal.

Appellant has not responded. As appellant has not provided this court with a current address and has failed to respond to our order, it appears that appellant has abandoned this appeal. Accordingly, we dismiss this appeal.

It is so ORDERED.
