ORDER DISMISSING APPEAL

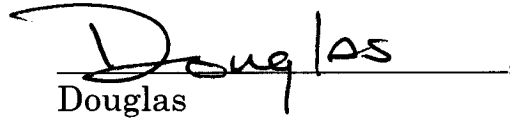

This is a proper person appeal from a district court order granting respondents' motion to dismiss. Eighth Judicial District Court, Clark County; Elizabeth Goff Gonzalez, Judge.

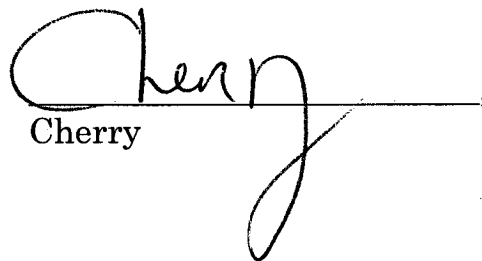

On March 29, 2007, this court entered an order assigning this appeal to the pilot program for proper person civil appeals and giving appellant forty days from that date to file and serve his civil proper person appeal statement. Thereafter, when appellant did not file his appeal statement as directed, we entered an order on September 6, 2007, directing him to, within fifteen days, either file and serve his appeal statement or file and serve a response addressing why his appeal should not be dismissed as abandoned. The order cautioned appellant that his failure to comply with that order would result in the dismissal of his appeal. Appellant's response was due on September 21, 2007. To date, appellant has not filed his appeal statement or taken any other steps to

comply with this court's directives. Accordingly, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
