ORDER DENYING PETITION AND MOTION FOR STAY

This original petition for a writ of mandamus or prohibition challenges an order of the district court denying a motion in limine. Petitioner also seeks a stay of the trial presently set to commence on April 3, 2006. Having reviewed the petition and the supporting documentation, we have concluded that this court's pretrial intervention by way of extraordinary writ is not warranted. Accordingly, we deny the petition. Further, we deny petitioner's motion for a stay.

It is so ORDERED.
