ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition seeks dismissal of an indictment charging petitioner with a violation of NRS 202.448 on grounds that the statute is unconstitutionally vague. Petitioner also seeks a stay of the trial below currently scheduled for May 15, 2006. Having reviewed the petition and the documentation appended thereto, we have concluded that this court's pretrial intervention by way of extraordinary writ is not warranted. Accordingly, we deny the petition. Further, we deny petitioner's request for a stay.

It is so ORDERED.
