ORDER DISMISSING APPEAL

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of one count of attempted burglary. Eighth Judicial District Court, Clark County; David Wall, Judge.

This court's preliminary review of this appeal revealed a jurisdictional defect. The judgment of conviction was entered by the district court on February 9, 2006. The notice of appeal was filed on March 29, 2006, after the thirty-day appeal period prescribed by NRAP 4(b). An untimely notice of appeal fails to vest jurisdiction in this court.<sup>1</sup>

Accordingly, on April 17, 2006, this court ordered appellant's counsel to show cause why this appeal should not be dismissed for lack of jurisdiction. On May 26, 2006, counsel filed a motion for an extension of time in which to respond. This court granted the motion and directed counsel to file the response on or before June 15, 2006. Counsel has failed
