JANETTE M. BUCKMAN
CLERK OF SUPREME COURT
DEPUTY CLERK

ORDER DENYING PETITION

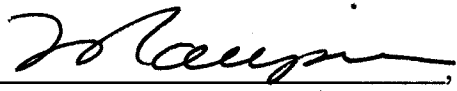

This is a proper person petition for a writ of mandamus. Petitioner asserts that he filed a proper person post-conviction petition for a writ of habeas corpus in the district court on August 23, 2005. Petitioner claims that his petition has not been acted upon in the district court.

On April 24, 2006, this court directed the State to inform this court whether a petition was pending in the district court, and, if so, what action had been taken on the petition. The State informs this court that a petition was filed in the district court on August 23, 2005, and that no action has been taken on the petition.

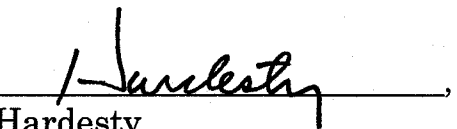

We have considered the documents presented to this court, and we conclude that extraordinary relief is not warranted at this time.

We are confident that the district court will conduct proceedings on the petition as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.¹
