ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner asserts that he filed in the district court a motion for an amended judgment of conviction to include an additional 477 days of credit for time served, but that the district court has not ruled on the motion. Petitioner requests that this court issue an order directing the district court to amend the judgment of conviction to include the additional credits.

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is

warranted at this time.<sup>1</sup> We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.<sup>2</sup>
