ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to rule on his motion for the return of seized property that was filed in the district court on October 3, 2005. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ We are confident that the district court

will resolve all pending matters as expeditiously as its calendar permits.

Accordingly, we

ORDER the petition DENIED.
