ORDER DENYING PETITION

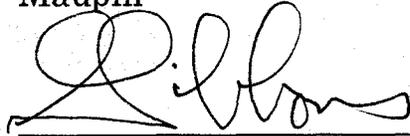

This is a proper person petition for a writ of mandamus. Petitioner complains that he has not received a copy of a written order denying his petition for a writ of certiorari filed in the district court, and he seeks an order compelling the district court to enter such an order or be fined daily until the order is entered. We have reviewed the documents before this court, and we conclude that no relief is warranted. We note that the district court entered a written order dismissing appellant's

petition for a writ of certiorari on May 18, 2006.¹ Accordingly, we

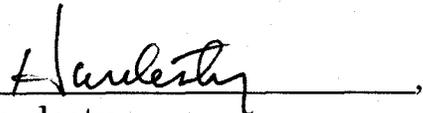

ORDER the petition DENIED.²
