ORDER DENYING PETITION

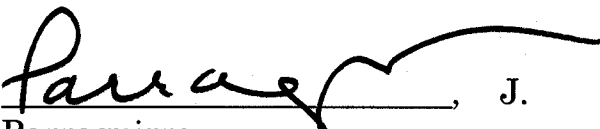

This is a proper person petition for a writ of mandamus. Petitioner complains that he has not received a copy of the State's response in a post-conviction proceeding in the district court. We have reviewed the documents before this court, and we conclude that extraordinary relief is not warranted. It appears that the district court denied petitioner's post-conviction petition for a writ of habeas corpus on June 9, 2006, and notice of entry of order was served on June 12, 2006.¹ Thus, petitioner has until July 17, 2006 to file a timely notice of appeal.

Any issues regarding an inability to reply to the State's answer may be addressed in a post-conviction appeal. Accordingly, we

ORDER the petition DENIED.²
