ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition challenges an order of the district court denying a pretrial petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Michael A. Cherry, Judge. Petitioner also seeks a stay of the proceedings below pending this court's consideration and resolution of this petition.

Having reviewed the petition and the supporting documentation, we are not persuaded that this court's intervention by

way of extraordinary writ is warranted at this time. Accordingly, we deny the petition. Further, we deny petitioner's request for a stay.

It is so ORDERED.
