ORDER DENYING PETITION FOR WRIT OF MANDAMUS

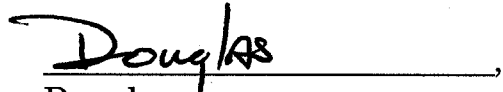

This original petition for a writ of mandamus challenges a district court order denying petitioner's motion to disqualify real party in interest's counsel. We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted. In particular, petitioner has failed to demonstrate that the

district court abused its discretion in determining that disqualification was not appropriate.¹ Accordingly, we deny the petition.²

It is so ORDERED.
