ORDER DENYING PETITION

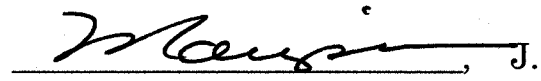

This is a proper person petition for a writ of coram nobis. Petitioner challenges the validity of his judgment of conviction. Specifically, petitioner argues that he is actually innocent. We have reviewed the documents before this court, and we conclude that our intervention is not warranted. A challenge to the validity of the judgment of conviction should be raised in a post-conviction petition for a writ of habeas corpus filed in the district court in the first instance.¹ Petitioner

may then appeal to this court from a final, written order denying his petition.² Accordingly, we

ORDER the petition DENIED.³
