ORDER DISMISSING APPEAL

This is a proper person appeal from a decree of annulment. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

On August 14, 2006, this court issued a notice directing appellant to pay the filing fee. Appellant subsequently submitted a document to this court that requested we grant him in forma pauperis status and waive the filing fee for this appeal. On November 9, 2006, this court entered an order denying appellant's request to waive the filing fee and directing him to either pay the filing fee or demonstrate that a proper motion under NRAP 24(a) for leave to proceed in forma pauperis had been filed with the district court within fifteen days from the date of that order. Our November 9 order further cautioned appellant that his failure to comply with that order might result in the dismissal of this appeal.

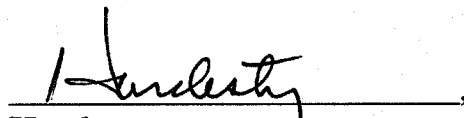

To date, appellant has neither paid the filing fee nor otherwise complied with this court's November 9 order. Based on appellant's failure

to pay the filing fee or otherwise respond to the November 9 order, we conclude that appellant has abandoned this appeal. Accordingly, we

ORDER this appeal DISMISSED.
