ORDER DENYING PETITION

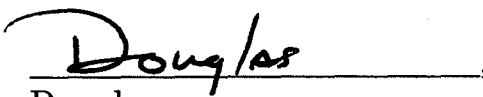

This is a proper person petition for a writ of mandamus, or in the alternative, a writ of prohibition. Petitioner seeks an order: (1) declaring that the Elko Justice Court still retains jurisdiction over his criminal case; (2) directing the Elko Justice Court to correct the October 1, 2001 written order; (3) declaring the criminal information invalid; (4) directing the district court to dismiss the invalid criminal information; (5) declaring null and void the district court's action on the invalid criminal information; (6) directing that petitioner be released from custody and his bond reinstated or released on his own recognizance; (7) directing the Elko Justice Court to appoint conflict counsel; and (8) taking any other action deemed necessary. We have reviewed the documents before this court,

and we conclude that our intervention by extraordinary writ is not warranted.¹ Accordingly, we

ORDER the petition DENIED.
