CLERK OF SUPREME COURT

CHIEF DEPUTY CLERK

ORDER OF REMAND

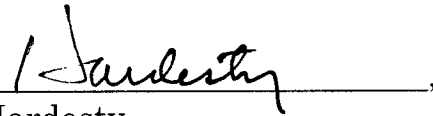

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of one count of statutory sexual seduction. Sixth Judicial District Court, Pershing County; Richard Wagner, Judge.

The sole issue raised by appellant in the fast track statement is that he was not awarded the proper amount of credit for time served. On December 26, 2006, the State filed a motion for limited remand and for a stay of the briefing schedule. On January 4, 2007, the district court entered an order indicating its inclination to hold a hearing and amend the judgment of conviction after determining whether additional credit for time served should be granted.

In light of the district court's desire to reconsider the issue, we conclude that a remand is warranted, and we

ORDER this matter REMANDED to the district court for proceedings consistent with this order.¹
