ORDER DENYING PETITION
AND MOTION FOR STAY

This petition for a writ of prohibition challenges an order that grants reconsideration of an order granting summary judgment in favor of petitioner. Specifically, petitioner alleges that the district court lacked jurisdiction under EDCR 2.24 to grant reconsideration. Further, petitioner requests a stay of the hearing on September 26, 2006, to reconsider petitioner's motion for summary judgment. Petitioner has also filed a separate emergency motion for a stay of the September 26, 2006, hearing.

We have considered the petition and we are not satisfied that this court's intervention by way of extraordinary relief is warranted.

Accordingly, we deny the petition and the emergency motion for a stay.

It is so ORDERED.
